

Whistleblower Policy

Leader Labs is committed to maintaining the highest standards of conduct in the fulfillment of its mission to provide leadership development to both non-profit and for-profit leaders throughout the world. Our Whistleblower Policy provides multiple avenues to bring forward concerns of suspected wrongdoing. Individuals may to bring forward concerns that one of our policies, practices, or activities is in violation of law. Web-based reports can be made at info@leaderlabs.com. Individuals may also write to any officer or board member as provided on our 990.
